

Play Every Day Video Contest

PRIZES for
KIDS!
PRIZES for
SCHOOLS!

**Think you can motivate kids to
play every day and take the
Healthy Futures Challenge?**

Here is your chance to win big for you and your school! Assemble a team of elementary students, grab a teacher or adult to help, and create a 25-second video public service announcement (PSA) that motivates Alaska kids to get active and take the Challenge.

Last day to submit your video is October 31, 2014.

Visit playeveryday.alaska.gov for full contest rules, entry form and prize information.
